

Tanuja Ingale

Certified Ethical Hacker | Web Developer | MCA

Email – ingaletanu3017@gmail.com LinkedIn – [Tanujaingale](#) Github - [TanujaIngale](#)

Profile Summary

CEH-certified Web Developer and MCA student with hands-on experience in designing and developing 2–3 full-fledged websites. Strong knowledge of frontend and backend technologies including HTML, CSS, JavaScript, PHP, and database management. Skilled in ethical hacking, network fundamentals (CCNA), and computer forensics (CHFI), with a proactive approach to learning new tools and technologies. Recognized for problem-solving, logical thinking, and delivering secure, scalable, and efficient solutions. Enthusiastic about contributing to innovative projects that make a meaningful impact.

Education

BBA-CA (Computer Application)

HSC (12th)

Modern College (Autonomous)

HHCP Junior College

Pune, 2022 – 2025

Pune 2020 - 2022

SGPA – 9.37

Percentage – 72.17 %

Certifications

- **CCNA:** Basics of networking, routing, and switching.
- **CEH:** Ethical hacking and security testing.
- **CHFI:** Digital forensics and cybercrime investigation.

Projects

1. Portfolio Website

November 2025 - Current

- Web application using HTML, CSS, and JavaScript.
- Showcases skills, projects, certifications, and achievements.
- Includes sections: About Me, Projects, Skills, and Contact.
- Responsive design for all devices.
